GREGORY H. WOODS, United States District Judge:

In the civil case management plan and scheduling order filed on August 17, 2022, the parties noted their consent to conducting all further proceedings before a United States Magistrate Judge, including motions and trial. Dkt. No. 11.

If both parties consent to proceed before the Magistrate Judge, the parties must, **within two weeks of the date of this order** file on ECF a fully executed Notice, Consent, and Reference of a Civil Action to a Magistrate Judge form, a copy of which is attached to this order (and also available at <https://nysd.uscourts.gov/sites/default/files/2018-06/AO-3.pdf>). The executed form should be filed on ECF as a “Proposed Order,” and be described using the “Consent Order” filing event in accordance with ECF Rule 13.18. If the Court approves that form, all further proceedings will then be conducted before the assigned Magistrate Judge rather than before me. Any appeal would be taken directly to the United States Court of Appeals for the Second Circuit, as it would be if the consent form were not signed and so ordered.

If either party does not consent to conducting all further proceedings before the assigned Magistrate Judge, the parties must file a joint letter, **within two weeks of the date of this order** advising the Court that the parties do not consent, **but without disclosing the identity of the**

**party or parties who do not consent.** The parties are free to withhold consent without negative consequences.

SO ORDERED.
